As a member of the

### CONNECT2 LAW"

legal network we offer the full range of Private & Commercial legal services.

# GETTING BACK ON TRACK

Passenger journeys on the Derwent Valley Line increased by 15% between April and December 2008 compared to the same period the previous year.

Duffield station has seen a 19% increase in passenger journeys. All local stations have achieved traveller increase with other significant growth at Ambergate, Cromford, Matlock and Matlock Bath all showing more than 15% growth during this period.

Cllr Joyce Sanders, Chair of the Derwent Valley Line Community Rail Partnership said: "This is a real boost to reaching the Community Rail Partnership's target of achieving 60% growth in passenger journeys by March 2011.

"This growth has been achieved prior to the new hourly service which started on 14 December and shows that local people and visitors to the valley see the train as a great option.

"The new hourly train service between Nottingham, Derby and Matlock will hopefully see even more people using the Derwent Valley Line." Emma Knight from East Midlands Trains commented: "It's fantastic news that more and more people are choosing to travel on our trains. Our new

hourly train service will provide many more opportunities for people to travel from Duffield to Derby and Nottingham, either for work or leisure, and we hope that over the coming year even more passengers will be tempted to leave the car at home and give the train a try!" The new hourly service along the line from Nottingham and

OMMUNITY RAIL PARTNERSHIP

Derby to Matlock started on 14 December. Full details of East Midlands Trains new improved service including timetable details are featured in the latest version of Great Days Out on the Derwent Valley Line, available from Duffield Library, Duffield Post Office or call Derbyshire on 08456 058 058. Alternatively, visit eastmidlandstrains.co.uk.

### CHEVIN PROBUS CLUB 2009.

This is a club for retired professional & business men to get together for socialising, talks, outings, visits and occasional short holidays together.

Partners and wives are often included in the club's activities. The membership is drawn from Belper, Duffield and the surrounding area. The club has been based for

### Village jottings

many years at the
Conservative Club in Belper
for talks and uses various
local restaurants for lunches.
Increasing membership has
led to the club needing a
larger meeting room and talks
will now be held at The Lion
Hotel in Belper where there is
ample parking and good areas
for socialising and for food &
dript

The February meeting is a member's lunch at the Lion Hotel, Belper February 16<sup>th</sup>.

If you are interested to try it out, come along as a guest.

Contact Eric Allen, the secretary, on (01773)823105.

Youth Leader Tom Wyke is the guest speaker following the AGM of Duffield Community Association on Monday 23rd February.

Tom will expand on plans for a youth club in the village and answer questions about the progress.

By collecting unwanted change from family and friends and by many of them donating their own pocket money, the children at Forget Me Not Childcare in Duffield have raised an amazing £232.00 for Children In Need.

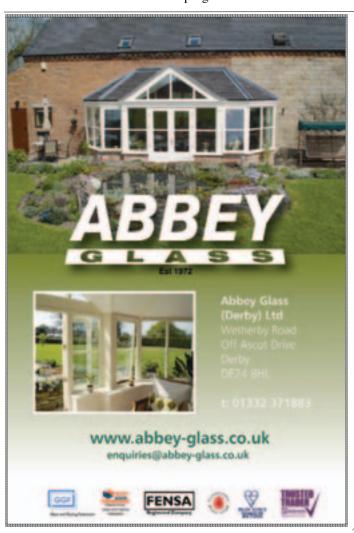

Their efforts were kindly supported by local donations from our friends and neighbours on Park Road. On behalf of all the children who will benefit from their generosity we would like to say a VERY BIG THANK YOU and are looking forward to trying to beat this amount next year!

# The date of this year's Duffield Carnival is Saturday 27th June.

There will be all the usual events up to an including Carnival Week and likely surprises as the organisers formulate plans.

People have enquired already

about offering help for the . event which was a huge success last year.
Any individual / company / group wanting to participate with a stall on Eyes Meadow or play a sponsorship role should contact Derek Cook, DCA secretary on 840098.

### CUMBERHILLS SOLD OUT... FEW NEW HOMES LEFT FOR SALE

Radleigh Homes are delighted that all of the properties at their Cumberhills development, on Cumberhills Road, Duffield have now sold.

The superb views from this inspired development, together with the high standard of quality in construction and fittings that Radleigh are renowned for, have proven very popular with many local families, with the houses selling within three months of being released for sale and the apartments have also been equally successful. Hayley Scott, Senior Sales Manager said: "The team at Radleigh Group are always very careful in their chosen

locations and the passion and skill of years of experience combine to make our developments unique and highly sought after. "Although all of the

"Although all of the properties at Cumberhills are now sold, there are still a

handful left in our neighboring development, at Auckland Place on New Zealand Lane.

"Anyone interested in either downsizing and releasing some equity in these challenging times, or maybe just wanting a new start, should take time to visit our stunning show apartment which is open **Friday to Sunday** from **10.30am to 5.30pm** or visit our website for more details at:

www.radleighhomes.co.uk".

# WILL...THE MEMORIES LINGER ON - AND THE FUND RAISING CONTINUES IN 2009

In September 2009, five Duffield residents will be undertaking the 'Three Volcanoes Challenge' in Italy in memory of Will Sheppard who died of meningitis in 2003.

They will be climbing Mount Etna, Mount Vesuvius and Mount Stromboli in three days. The challenge has been organised by the Meningitis Trust and each participant has pledged to raise at least £1500.

This money will be donated directly to the charity – the climbers will be responsible for their own travel and accommodation costs.

Meningitis doesn't discriminate; it creeps up quickly and silently, changing lives forever. Everyone is at risk.

The Meningitis Trust also changes lives by making a tangible difference to everyone touched by the disease and by raising awareness of the signs and symptoms of the disease.

Tables of ? are currently available at the Forum. Would you be prepared to be a "Table Senator" and invite another IX legionnaires to the Ball? Dress — Black Tie or Roman.

Book now to avoid disappointment and – "Beware the Ides of March"!!

### **DELIGHTS OF PAINTING HOME AND ABROAD**

New year brings new ideas and if you have thought of trying a new interest this year, then look no further than right on your doorstep. Duffield is a village of many interests and talents, but it is particularly well known for its 'artists colony', with two art clubs, and a gallery, as well as societies and classes encouraging various art forms.

Your chance to try your hand at painting has arrived.
Margaret Allton runs daily classes in the village hall whilst her friend Wendy Tait has monthly day schools specialising in flowers at her home in Duffield Both of them are well known artists, often exhibiting in Duffield gallery but also much farther afield.
In fact both artists equally love to travel and have

recently been to Maine USA, China and France either teaching or painting. This year they are very excited about their teaching trip to Dinan in Brittany. Arranged in association with Travel Whispers they have found a lovely spot on the banks of the river Rance in Dinan.

Old world charm is everywhere.

Picturesque 15th and 16th century half-timbered houses with their pointed gables and wooden porches line cobbled streets, all kinds of traditional craft shops, along with a delightful selection of cafes and restaurants provide some exciting subject matter. Dinan can claim, and with great justification, to be the most perfectly preserved medieval town in Brittany. As their trip is by coach from

Duffield ,they say: 'It will be wonderful to be able to take all our clobber without worrying about weight and airports!!'

If you would like to join them, either in a class call (01332 **842295**) or on the trip ( 01664 **434590**).

Better known for its high quality traditional timber framed buildings, timber decks and balconies, locally based Balcony Timber Engineering has recently expanded its range of bespoke products and services.

As company owner,
John Thornhill. of
Duffield, explains "As
part of our timber
building systems we
offer range of products
and services that
increasingly we are
being asked to provide
separately"
"These include high
quality purpose made
hardwood doors and

windows, especially

relevant to clients with older properties where modern "off the shelf" designs don't fit or look out of place".

Equally in demand are made to measure free standing and built in cupboards and storage units.

With a huge range of timber to choose from and no limitation on design or size requirements, Balcony can produce and install custom made joinery to suit any home.

Founded in 1999, Balcony Timber Engineering quickly established a reputation for innovative decking solutions especially on steeply sloping terrain.

The result is an ever growing portfolio of elevated timber decks, balconies and traditional or contemporary timber frame buildings.

"New legislation allowing taxation benefits for those working from home has increased demand for home office annexes – ideally suited to our range of modular timber frame structures" "We build home office studios to any style or specification with numerous options on insulation, glazing, heating, electrical and water supply"
Some clients choose to integrate an office into the roof space of Balcony's Beamlock range of garages – a space that lends itself equally well to a games room or overspill guest accommodation.

"We offer a truly versatile service and pride ourselves on rising to any challenge – if it's built with wood then there are very few things we cannot do," says John.

Balcony Timber Engineering can be contacted on 0800 021 3100 or 07999 158764.

### East Midlands Trains introduces new, hourly direct trains from Duffield

The new hourly direct service between Duffield, Derby and Nottingham means that Duffield passengers will will have the benefit of an hourly service to Derby, and an hourly service to Matlock.

on weekdays, services will go through to Nottingham, resulting in an hourly service between Duffield and Nottingham. Copies of the new 'Great Days Out on the Derwent Valley Line' timetable and days out guide are now available from Duffield library, Duffield Post Office, Tourist Information Centres, staffed stations or from Call Derbyshire on 08456 058 058. Passengers can also register to receive their own personalised timetable when full details are released. Register now on

eastmidlandstrains.co.uk/myj ourneys.

1) . Through services between Duffield and Nottingham will run on Saturdays from **May 2009.** 

The Saturday service has a delayed start because of the rebuilding of Derby station which is being undertaken by Network Rail.

2) East Midlands Trains operate high speed long distance services from London St. Pancras to
Sheffield, Derby and
Nottingham and regional
services between Nottingham
and Derby – Lincoln –
Cleethorpes – Skegness, and
between Derby and Crewe Matlock and Norwich and
Liverpool.

The franchise will run until 31 March 2015, the last year and four months of which will be conditional upon achieving preset performance targets.

### TEENAGE HELP SOUGHT AT LIBRARY

Calling all teenage readers... we need your help,

The Duffield library bookpushers are recruiting new members. We are looking for young people willing to join our group. We meet once a month in the library after school to push books and reading to each other and like minded groups in the county. Some trips and visits are organised and full training is given. If you, or anyone you know, might be interested in joining us please contact me at the library for more information and an informal chat. Events at the library continue as usual.

Our normal story time for under 5s will be held on **Friday 6**<sup>th</sup> February and Friday 20<sup>th</sup> February at 10.30 for half an hour of stories and simple crafts.

I would like to thank all children and carers who have been attending and for helping to make the story times such a great success.

From 10am on **Monday February** 2<sup>nd</sup> the Energy Trust, an organisation set up to address the damaging effects of climate change, will be visiting the library to hand out advice to the public on topics ranging from home energy efficiency to eco-driving techniques.

This will be a drop in session so come along and take onboard their energy saving information. My best read of the month was Good Wives by Margaret Forster. This is a fascinating read comparing the marriages of Mary Livingstone, Fanny Stevenson, Jennie Lee and Margaret Forster. The author explores the four marriages in different times finding out what it means to be a good wife.

A compelling and highly readable story.

Happy reading

### Carole-Ann **Duffield Library**

### **Dear Barrie and Diana** Thanks for covering this difficult subject of **Ecclesbourne School in** recent editions.

For many people in the village the proposals from Ecclesbourne School pose a real dilemma.

We want to see sports facilities at the school improved, but at what cost?

### Reader's Letter

Are the new facilities worth the loss for ever of the open space around Meadows School and the riverbank access? People are poorly informed about the proposals.

Could you include a map in your February edition showing the extent of the land it is proposed to

build housing on, the location of access roads and the position of the new playing fields? This would inform the debate and provide a really helpful community service.

### Thanks. Yours sincerely **Kevin Curley**

6 Cumberhills Road Duffield 01332 840357

**Editor's reply:** Thanks for your suggestions Kevin and you can rest assured that I am trying to pin down the relevant information.

It is unlikely that specific detailed mapping will be available for some time at least that is what I am told. This story is likely to drag on for a long time.

FOR BAGS, COLLECTIONS, OR ANY OTHER HELP PLEASE CALL JOHN, 01332 841085

Balcony Timber Engineering www.balcony-timber.co.uk

# Hello I wondered if you could help answer a question that has been nagging my family, friends and neighbours this Christmas?

The tree that was erected on the corner of Wirksworth Road? Christmas Tree? We are really not sure this represents the village well at all!!

I have never seen such a poor effort in the whole of my life, one string of lights thrown across the top and its been left like that since the start of December. The tree has been standing crooked, but this is irrelevant compared to its decoration.

I know there is a credit crunch going on, but when villages like Milford can make their streets look pretty and manage to have a lovely tree opposite the Strutt Arms, how can an affluent village like Duffield not afford a tree full of lights?

This is really puzzling us and i cannot count how many people have commented on how bad it looks? Were the lights

### Readers' letters

stolen? Could the villagers not have dug into their box of spare decs and donated any spare lights?

This really is a terrible excuse of a tree, can you shed any light? (more than the lights on our village tree this year anyway)

Warmest Regards Helen

Dear Helen
The editor, being aware of my involvement with the erection of Christmas
Trees in Duffield for at least 20 years, has asked me to respond to your letter at the time of publication.

First of all thank you for your comments regarding the decoration of the tree which were echoed by others. The lights used this year were donated by a resident and were the third different set used on consecutive years. In 2006 the string of multi coloured 25 watt bulbs that had been used for many years was installed. Over the first night 15 bulbs were removed and smashed on the ground. These were duly replaced for 8 more to be smashed the following night. The lights were then lifted up the tree out of easy

reach but the effect was then very disappointing. There was also a safety issue as live lamp sockets could be left exposed. In 2007 four large nets of low voltage bulbs were purchased but these were not easy to spread around the tree even though they survived those with destruction in mind.

The overall effect was not ideal, the lights again being concentrated towards the top of the tree.

When the lights used this year were offered it was reported that they were very effective when used at a residential site.

With hindsight the tree could have been smaller and there would certainly not be as much ambient light as on the Corner.

Even so thanks to those that hang around on the corner most of the bulbs within reach were broken or missing which didn't help the overall impression. The lovely tree at Milford is up on a bank that doesn't encourage groups to gather and apparently escapes the attention of those with mischief in mind. I think you will find that the other lights in Milford are part of the seasonal decorations erected by Belper Town Council.

Those involved with Duffield's efforts have already started consultations with Amber Valley Borough Council that erects many trees around the Borough. One solution might be a fence around the tree if it is decided that we won't be beaten by the mindless few. Over the years we have only had to pay for one big tree, the remainder having been removed from resident's gardens at no cost to them. Unfortunately some trees grow with a curve that leads to a slight lean when installed.

The trees are far too heavy

to lift to make adjustments once they are in place. In summary Helen, we hear what you say but the problem is not money, the **Duffield Community** Association with support from Duffield Parish Council will continue to fund all the decorated trees that are erected around the village. The problem is certain residents and their friends that are not so proud of where they live as we are. We are determined not to let them win and will welcome any further suggestions from you, your family and neighbours. Yours sincerely

Derek Cook Hon. Secretary DCA

COUNCIL SETS IT PRECEPT

### PARISH COUNCIL MEETING DATES

Following a meeting of the Parish Council on 13<sup>th</sup> January 2009, members agreed to raise monies through the annual precept.

The amount to be raised for 2009/10 is £96,485.

The Precept is the amount that is charged on your rates for the services provided locally by the Parish Council.

This rate amounts to a weekly charge of approximately £1.00 for a band E properties, with lower band properties paying much less.

The monies raised through the precept helps to provide funding for local amenities such as Eyes Meadow, Gray Recreational Ground and Duffield Cemetery, as well as the provision of a Cemetery Superintendent, Village Warden and office staff to deal with your enquiries.

Included on our portfolio of responsibility are four properties, three of which are listed buildings.

In addition to these assets the Parish Council also undertakes clearance work on some local footpaths and maintains and provides bus shelters, seats and litter bins around the village.

Last year the Parish Council carried out a number of major projects including the refurbishment of the playground at Gray Recreational Ground, the resurfacing of the parking bay at the Cemetery and demolition and tree work at Eyes Meadow.

On a smaller scale, the bus shelter on Wirksworth Road was refurbished and sandbags and sand was purchased to help the village in times of flood.

These are just some of the things we have been doing, and the Parish Council continues to look forward to ensure the best service possible to the village.

Going forward the Parish Council are already planning next the year projects.

Car park improvements at Eyes Meadow, repairs to the wall at Gray Recreational Ground, and improvements and the expansion of allotments at the cemetery are amongst the list of proposed projects for the Spring.

As you can imagine, with so many projects and a very tight budget the Council is continually looking at how it can best utilise its funding.

We endeavour to ensure that the contributions made by the village to its work are used as efficiently and effectively as possible, with value for money a key driver.

### **AWARDS TO LOCAL GROUPS**

The Parish Council is keen to support local groups and organisations that provide services to the community on a not for profit basis.

The Parish Council does this by awarding small grants to these groups on an annual basis under the mechanisms granted to it under s137 of the Local Government Act 1972.

This year the Parish Council has made awards to the 1<sup>st</sup> Duffield Rainbow Guides, to help them with resource provisions: to Duffield Lawn Tennis Club to support their youth community engagement programme, and: to Choose Cycling to support the delivery of cycle training to adults in the community.

The Parish Council will be holding the following meetings at the Committee Room on Hazelwood Road to commence at 7.00pm.

All meetings are open to the public and Parishioners may bring items of concern to members' attention prior to the commencement of the meeting.

Tuesday February 10<sup>th</sup> 7.00pm Parish Council

Tuesday January 27<sup>th</sup> 7.00pm Cemetery Committee (re-scheduled from 27<sup>th</sup> January 2009)

Tuesday February 24<sup>th</sup> 7.00pm Recreational

You can also contact the Parish Council via email us through the contact button at <a href="https://www.duffieldpc.org.uk">www.duffieldpc.org.uk</a>

### HAZARDS MOUNT AS CREDIT SQUEEZE BITES

These are some topical items I have been informed about by the Belper & District Neighbourhood Watch Support Group and the police.

A Reminder: A recent incident in the the county concerned a caller claiming he was from the water board and needed to come in to change the battery in the water meter and that they should have received a letter to confirm this prior to arrival.

As always never allow anyone into your home unless you are sure of their identity. If you have any concerns do not hesitate to tell them to leave. A legitimate caller will not mind.

A Warning: It has

been reported that there has been a significant increase in burglaries as a result of the economic crisis. Everyone is feeling the pinch including burglars and thieves! Please keep all doors and windows locked even when you

are inside.

Another Warning: A man came over and offered his services as a painter to a female putting petrol in her car and left his card. She said no, but accepted his card out of kindness and got in the car. The man then got into a car driven by another man. As the lady left the service station, she saw

the men following her

out of the station at the

immediately, she started

same time. Almost

to feel dizzy and could not catch her breath. She tried to open the window and realised that the odour was on her hand; the same hand which accepted the card from the man at the service station. She then noticed the

She then noticed the men were immediately behind her and she felt she needed to do something.

She drove into the first driveway and began to honk her horn repeatedly to ask for help. The men drove away but the lady still felt pretty bad for several minutes after she could finally catch her breath.

Apparently, there was a substance on the card that could have seriously injured her. This drug is used by people who wish to incapacitate a victim in order to steal from or take advantage of them.

This drug is four times more dangerous than the date rape drug and is transferable on simple cards. So take heed and make sure you don't accept cards at any time when alone or from

someone on the streets. This also applies to those making house calls and slipping you a card when they offer their services.

**Police Non-Emergency** telephone number **change:** From 1st December 2008, the number for contacting Derbyshire police changed to: 0345 123 3333. This is to ensure callers are not charged excessively when making a call. The old number will continue to be operational for about 2 years until people are familiar with the new number and then phased out. This number is for any policing matter which is not a 999 emergency.

### HOCKEY: ANOTHER GIRLS' TRIUMPH

Ecclesbourne School won Midlands Under 16 Schools Championship for fourth successive year.

The School have once gain qualified for the National Under 16 Schools Hockey Finals in March following their 5th consecutive win in the Midlands Championships.

The regional round, held at King Edwards School, Birmingham, saw a plethora of goals being scored by Anna Toman, Charlotte Hobbs, Rhiannon Rogers, Tasha Webb and Charlotte Bright.

In their group games they beat:

King's School Worcester 5-0

Ellesmere College 5-0,

Edgbaston High School 3-0

Rugby School 6-1.

In the semi-final Bedford High School were beaten 5-2 and in the final, Oundle provided strong resistance but finally succumbed to the speed and skill of the Ecclesbourne players with a 5-1 score line

The team will now try to add to their four previous successive National Under 16 School titles to add to the Under 14 crown won five years ago.

This year's finals are being held at St. Georges School, Surrey on Monday 9<sup>th</sup> March.
