A CENTENARY OF SCOUTING IN THE VILLAGE

Just two years after Scouts globally celebrated the centenary of the Association, Duffield Scout Group is commemorating their 100th anniversary.

On Sunday 22nd February, members of the Group met on the Millennium Meadow, Duffield to plant a tree to mark a monumental occasion.

In partnership with the Millennium Meadow Committee, an English Oak tree was sourced and it was agreed that a suitable time of year for planting would

be on Founders Day, the birthday of Lord Robert Baden-Powell who started the Scout Association. The two sons of the then Headmaster of William Gilbert Boys School formed the Duffield Scout Group in 1909.

They met in the porch of school until they acquired a building on a farm in Flaxholme.

In 1965 a purpose built headquarters was opened just off Hall Farm Road, where the scouts of Duffield continue to meet. .

Story continued on page 5.

The only MOT centre in the village. We offer full servicing and MOT facilities for all makes of vehicle at very competitive prices through our Bosch approved service centre.

Whether a new or existing customer, our levels

of service will leave you very pleasantly surprised.

A SONG AND PIANO MIXTURE

For some years now soprano Emma Kirby has formed a duo with pianist Janes Linsey and they present programmes that mix song and piano music.

They have recorded together on BIS, broadcast on Lyric FM in Ireland and appeared at prestigious music festivals throughout the world.

During their programme in the Main Hall at Ecclesbourne School on

Sunday 22nd March they will perform songs by Haydn, Mozart and Schubert, a Beethoven Piano Sonata and a Schubert impromptu.

The event is supported by the Making Music Concert Promoters' Network Scheme.

Programme:

Haydn: Songs

Beethoven: Piano Sonata

Mozart: Songs

Schubert: Impromptu

Schubert: Songs

REASURANCES ARE GIVEN BY BUILDING SOCIETY EXECUTIVE

Derbyshire Building Society has confirmed that it has successfully merged with Nationwide.

The enlarged society continues to be a mutual building society, owned by and run for the benefit of its members, with almost £195bn of assets and over £120bn of retail deposits.

The Derbyshire name and branch network will be retained.

Nationwide will now look to develop the Derbyshire's regional franchise to ensure it continues to serve the needs of customers and the local community.

Graham Picken, Chief Executive of Derbyshire Building Society, said: "This merger is good news for customers who now have the stability and certainty of being part of the world's largest building society at a time of

unprecedented market conditions.

"I am delighted that as part of the enlarged society, the Derbyshire brand will live on and customers will continue to benefit from our branch network.

"Nationwide has an outstanding track record of delivering value to members and I have every confidence that our customers will benefit from being part of the enlarged society."

Graham Beale, Nationwide's chief executive, said: "The mergers with Derbyshire and Cheshire provide an excellent opportunity for Nationwide to build on its strong position in the financial services sector by adding two attractive customer franchises, we look forward to welcoming Derbyshire's and Cheshire's members to Nationwide and working with new colleagues.

Scouting history

from page 1

Over the years the Group has expanded from a meeting of a few boys outside a school to more than 150 boys and girls aged from 6 to 14 years. Members of 1st Duffield Scout Group enjoy a wide range of activities including crafts, outdoor pursuits, games and camping.

This year to mark their Centenary they are having a special camp and birthday party to which all members are invited.

If you would like to find out more about 1st Duffield Scout Group then log on to their website at www.1stduffieldscoutgroup.org.uk.

YOUTH CLUB MOVES A STEP NEARER

The plans for 'Massive', the proposed secular youth facility are progressing well.

The aim of the project is to provide a social space and a variety of activities for the young people of Duffield in the Emmanuel church building 'Massive' is seeking to improve the quality of life for young people in the village, and reduce the risk of them becoming involved in anti-social behaviour or potentially harmful activities to themselves and to others.

Twenty seven people were present at the project meeting including a range of villagers, a few young people, and a couple of local police officers. Following a brief presentation on the project, a good discussion time followed, with support coming from all sections of the room. Since that meeting a good

number of people have applied to be volunteers and it looks like there are now enough volunteers to get 'Massive' up and running shortly after Easter, on Friday nights for 14-18 year olds, as it was decided that this was the age group with the greatest need.

In addition funding has begun to come in, with donations from The Duffield Parish Council and The Belper and Duffield Rotary Club.

Other applications, to a variety of local and national organisations, are still being processed.

However, there is still need for more funding, and also greater community participation through more volunteers for roles like general staff to be befrienders and general space monitors; crisis/door managers; set-up/tidy-up team; and cooks/kitchen staff.

by
Tom Wyke

All applicants will be interviewed and their appropriate role discussed, and every volunteer will be CRB checked and trained in the skills required and aims

of the project.

If you are interested in either supporting this project financially or in a voluntary role, please do not hesitate to contact me on

01332 841386 or e-mail:

thomwyke@hotmail.com

AFFORDABLE OFFICES AVAILABLE SOON

No frantic rush hour traffic...time to drop the kids off to school or even walk with them and leave the car at home...these and other possibilities will be available soon as some smart serviced offices will shortly be open in the centre of the village.

'Fourteen Business Centre' is to provide affordable office suites on Town Street with a secure door entry system, communal facilities in a fully modernised environment ...

each office providing a smart and economical base for your business and plenty of storage space.

Enquiries are now invited with the first offices available from next month (April) and with a monthly rent starting from just £200.

This is great news for the many businesses which are currently being operated from home in the village.

For further information please contact Greg Loach on: 07960 849389.

ROTARIANS HELPING OUT IN THE COMMUNITY

The communities of Belper and Duffield have been served by Belper Rotary Club since 1930.

Over recent years, population changes and the growth of Duffield have resulted in about one third of its members coming from Duffield.

Work done with Duffield schools has included, the provision of mock job interviews, in conjunction with The Derbyshire Building Society, for students at Ecclesbourne.

We have provided, through association with Sports Aid, grants for up and coming young sports people, some of whom have achieved international recognition. provided cycling proficiency training for hundreds of children from The Meadows and William Gilbert schools.

We have organised opportunities for children from the area to take part in Young Chef competitions, Young Musicians concerts and

Youth leadership weekends. Recognising that working with the communities of Duffield, we should more openly relate to the town in July 2006 therefore the club changed its name to "The Rotary Club of Belper and Duffield".

Since then the Club has been actively seeking to further

by
Gail Ashley

develop its contacts with the communities in Duffield and to further expand the services that we already provide.

For example, to the delight of the local children we now tour Duffield and Milford with our Santa Sleigh each Christmas. The funds that we receive from this exercise are ploughed back into the local community.

We have just made several donations to groups in Duffield,

including a bingo machine for Ecclesbourne Close Social Club (see pic) and supported an Ecclesbourne student undertaking conservation work in Australia. We are also actively considering how we can further assist the youth of Duffield.

Anyone who is interested in becoming a member or wishes to know more about the Club is asked to contact President Gail Ashley on 01773 823357 or check out our website at www.belper-rotary.co.uk

A TRANSFORMATION FROM STANDARD TO LUXURIOUS

Complete re-design, replacement or re-vamp.

The right worktop will transform your kitchen, setting a tone of quality, elegance and even lifting an otherwise 'standard' kitchen into the realms of luxury.

Worktops need to be practical to keep up with the daily grind.

Granite worktops are particularly sought after for their incredible durability, stain and heat resistant properties.

V-Stone, a new company based in Derby is specialising in granite veneer worktops. New technology has allowed these products to develop.

A slice of granite is fixed to an aluminium frame then is hand polished to a high gloss. The result is the same look, feel and unique properties as solid granite without the costs. The worktops can be fitted with your existing appliances, hob and tiles remaining intact. You'll be amazed at how a fresh, clean, pristine worktop

can dramatically liven up your kitchen and all within fitted in a day!

Limestone and marble can look fantastic on worktops, they are very contemporary and offer a truly unique finish to any kitchen but they are easily damaged by alcohol and acids, such as lemon juice even when sealed.

You can still happily opt for these stones, but treat with care.

Our products are easy to handle, transport and install. You can buy your worktops directly from us and install yourself, we will give you all the advice and guidance you need or if DIY fills you with dread you'll be pleased to

know we also offer a full design and installation package.

For more information and to start transforming your kitchen visit

THE LOCAL PUB USE IT OR LOSE IT

Do you remember The New Inn?

We now only have two traditional beer houses in Duffield ...

The Kings Head and The Patten Makers.

Thirty-nine pubs a week are closing in Britain (according to the British Beer & Pub Association), with significant employment

Reader's letter

knock-on effects. A rise in alcohol tax plus rising rates, fuel, minimum wages, cost of goods, taxation and fierce competition from supermarkets have all been compounded by the recent recession. The larger pub chains are now copying supermarket tactics and

discounting heavily. Clearly the smaller independent pub owners cannot follow suit due to their inferior buying power and are subsequently the most at risk. If you believe that pubs are an important historical and social tradition, part of the fabric that holds together

our great nation and you don't fancy only having all Bar One-style chains to choose between for your next pub outing, then you need to support your local independent pub now. It is time to get involved and pop into your local, once a week is all it takes. **USE IT OR LOSE IT.**

IT'S A MESSY BUSINESS AND IT'S TIME TO CALL A HALT

Hello

I am a resident of Duffield and I would like to express my disappointment of the volume of dog mess within the village at the moment.

I am appalled that so many dog owners are so inconsiderate and

Reader's Letter

irresponsible by not picking up after their dogs. I, amongst other parents in my area, am fed up with cleaning the mess off our children's shoes. There seems to be significantly

more mess along Holloway Road and in the footpath and bridge over the railway line from Holloway Road. I wish to appeal to dog owners in the area to please pick up after your dogs. Let's try and keep our village as clean as possible.

Thanks

Mrs Sykes

(Ecclesbourne Meadows)

Editor's note: Duffield Parish Council is aware of the nuisance and action is being taken (see Parish notes and page 17).

Invite to a birthday party for The Very Hungry Caterpillar

On Saturday 21 March from 10.30am until 11.30am the library will be hosting a 40th birthday party for The Very Hungry Caterpillar.

We will be having party games, activities and a cake.

Free tickets for this event are available from the library so come and see us if you are interested in attending.

In response to a comment by a borrower, a copy of **The Daily Telegraph** is now is available, for reference only, every day we are open, including Saturdays.

The recent addition of a daily paper to our wide range of periodicals and magazines is proving very popular with many people taking advantage of it.

The usual **storytime**

activity will take place on the 6th and 20th March at 10.30am for stories and colouring. Recently some children from the Treetops Nursery in Castle Street paid a visit to the library and enjoyed our stories; it was lovely to see so many young faces.

We have recently added some current cost monitors to our stock.

These monitors are designed to help people identify how much electricity they are using and how much it is costing them.

They are free to borrow and will be issued for a period of six weeks.

Charges will apply if the kits are overdue or damaged and they can be requested from other libraries.

This initiative seems a

really useful way of monitoring our use of electricity and reducing our carbon footprint. Call into the library to borrow a monitoring kit if you are interested.

The library has a new book promotion this month.

A selection of non-fiction under the heading of **Famous Women** is now on display.

The lives of such eminent women from **Anne Boleyn** to **Amelia Earhart** and **Fanny Craddock** have been celebrated and are proving very popular.

I would recommend the wonderful **The Grace Kelly Years, Princess of Monaco** by Frederic Mitterand as the photographs inside are fascinating and lavish.

Happy reading

Carole-Ann

Carole Ann Howard

ARE YOU ELIGIBLE FOR AID FROM VILLAGE CHARITY?

The Duffield Charity is an amalgamation of small charities set up over the years since the 17th century.

The purpose of all these charities was to help the poor, needy, widows, widowers and single people of the parish of Duffield.

In the early days the

parish embraced Belper, Milford & Heage as well as Duffield.

The charities appropriate to this old parish are able to distribute a small amount of money once a year (usually November/December).

The other element of

the charity is applicable to today's Duffield Parish and this part of the charity has a small amount of money to distribute twice a year (June & December).

The purpose is the same as defined.

The trustees are willing to consider anyone who feels they may be

eligible for receipt of an appropriate allocation of part of this money.

If you think you are eligible please contact Graham Newton (Chairman of the Trustees) on Derby 840170 who will arrange to see you.

CHEVIN GOLF CLUB RAISES MORE MONEY FOR CHARITY

Derbyshire Community Foundation is delighted to announce that Mr Bill Steel (Captain) and Mrs Judy Harris (Lady Captain), from Chevin Golf Club, have helped to raise a staggering £10,513 for local community and voluntary activity.

The money has been raised throughout 2008 by Chevin Golf Club members at various events and activities, organised by the Captain and Lady Captain, including a Golf marathon, where the Captain was sponsored to play as many consecutive rounds of golf as possible in 24 hours,

and a ladies fashion show, celebrating changes in fashion over the last 100 years.

Derbyshire Community Foundation is a local charity and is building an endowment fund to benefit Derbyshire people forever. Income generated by the fund is used to make grants to voluntary and community groups, to improve the quality of life for people throughout Derbyshire. Bill and Judy have established the Chevin Captains 2008 Charitable Fund with the Community Foundation and are eligible to receive a £1 for £1 match from the government as part of

the Foundations Matchmaker Challenge, meaning that their fund is now worth £21,026. Grants are not yet available from this fund, but community groups can visit the Foundations website for more information on funds currently available.

Pictured receiving the cheque are from left to right, Rachael Grime, Derbyshire Community Foundation Chief Executive, Amanda Whittam Derbyshire Community Foundation Assistant Director, Fund Development & Marketing, Mrs Judy Harris (2008 Lady

Captain) and Mr Bill Steel (2008 Captain).

NEW APARTMENTS SELLING DESPITE THE ECONOMIC DOWNTURN

So ... what's happening in the world of house building in Duffield?

Here at Station Meadow View (where the Station Garage used to be on Station Approach) Carter Construction are delighted to report that 50% of Phase 1 is now sold and we are receiving a good level of interest on Phase 2.

Despite the reported decline in the housing market, we have sold six out of our initial 12 apartments, and are receiving regular enquiries from potential purchasers. One of our purchasers,

Betty Side (see pic) bought her apartment from us in November 2008 and is absolutely delighted with her move from her home in Gloucester.

Betty's family wanted Betty living close by (her daughter and son-in-law live in the village). After viewing all the apartments on offer in the area, the family decided that our 2-bedroom apartment, accessed by lift, with sunny balcony facing Eyes Meadow, was the perfect spot. The gas-fired underfloor heating keeps the whole

apartment cosy and warm. "The ensuite dressing room and shower room makes life so much easier – I feel as though I am living in a smart hotel!" says Betty. "I would encourage anyone wishing to hang up their gardening gloves and DIY toolbox to come and take a look". "I am really enjoying living so close to my daughter and son-in-law. The village has an awful lot of offer, with the shops and cafe's and I have found everyone to be most friendly and welcoming".

by
Mary Johnson-Evans

Betty's concern was her transition to apartment living, but with a separate study/extra storage room, in addition to her 2 bedrooms, Betty's unpacked boxes can be shut away and their fate decided upon at a later stage.

So now ... it's "all hands on deck" for Phase 2 says Roger

Carter, the builder. "In such a seemingly bleak market, the bank were overwhelmed with the amount of sales we achieved last year, and have given us the go-ahead to complete the second and final building to the development".

The Station Rise building is now full of builders, joiners and plumbers – all working together to ensure that the first occupants can move to their new home in April/May of this year. Seven two-bedroomed apartments, (many with south-facing balconies and/or conservatories and terraces), two two-bedroomed houses and a spectacular Penthouse, all with full lift access, can be viewed NOW.

The show home is open weekdays 10.00am-3.00pm and Saturday 10.00-4.00pm. Viewing are welcome outside of these hours – just speak to Mary in the sales office on **07976 009900**.

Duffield Parish Council Newsletter - Issue No.67 (March 2009)

CONCLUSION OF AUDIT

The Parish Council are pleased to report that following our annual inspection by the Audit Commission the auditor reported that "the information contained in the annual return is in accordance with the Audit Commissions requirements and no matters have come to its attention giving cause for concern that relevant legislation and regulatory requirements have not been met".

This follows "excellent" comments made by our independent internal auditor in July.

If you would like to have more information about our accounts information it is currently on display on the notice board in the center of the village.

DOG OWNERS DO IT AGAIN !

The Parish Council has again been inundated with complaints of dog fouling ruining our village streets.

The problems seem to be particularly bad along Holloway Road, the Pastures Footpath and the Footpath by Meadow School.

The Dog Wardens have confirmed they will step up their patrols along these areas.

If you see anyone allowing their dog to foul our streets in this way why not capture them on your mobile phone and contact the dog warden yourself.

The wardens will be more than happy to prosecute on a witness statement, and your action will help to ease the considerable distress this disgusting problem is causing the children of our village as many are stepping in it on their way to school.

NEW CYCLE TRACK TO LINK DUFFIELD AND DERBY – TELL US WHAT YOU THINK

Residents may recall that the Parish Council attempted to get Derbyshire County Council and Derby City Council to work together to introduce an off road cycle track between Allestree and Duffield, providing a safe access for residents and visitors. Unfortunately these attempts in 2004 failed.

Not one for giving up however the Parish Council is again working with the Cycling Group, Choose Cycling and Sustrans to get this project going again.

Sustrans is the UK's leading sustainable transport charity and is looking at supporting this project as part of their national cycle network project.

A change of attitude towards sustainable transport at local authority level also means that there is a greater opportunity for this project to succeed.

The Parish Council will be contacting user groups over the next few weeks and months to give information about the proposed route, but we really need to know what you as the general public think.

Your input into this is important as local support will be a key measure when looking at its impact on the community.

It's thought that the route will principally follow the A6, allowing easy access on and off the route.

A full map of the proposed route will be available shortly, but please drop us a line to let us know if you support this idea.

You can write to the Parish Council at the Weston Centre, or just drop an email to sally.bygraves@duffieldpc.org.uk .

PARISH COUNCIL MEETING DATES

The Parish Council will be holding the following meetings at the Committee Room on Hazelwood Road to commence at 7.00pm.

All meetings are open to the public and Parishioners may bring items of concern to members' attention prior to the commencement of the meeting.

Parishioners are reminded that the Annual Parish Meeting is held specifically to allow the public to hear about the past years activities and the proposals for the coming year.

If you would like more information about any of the Parish Council's meetings please contact the Clerk.

Tuesday March 10th 7.00pm Parish Council
Tuesday March 24th 7.00pm Strategy, Finance & GP
Tuesday April 14th 7.00pm Annual Parish Meeting

BURGLARIES UP AS ECONOMY SLUMPS

These are some topical items I have recently been informed about by the Belper & District Neighbourhood Watch Support Group and the police.

Shed Burglaries: There has been an increase in shed burglaries across the division recently. This is a usual trend after Christmas and the run up to spring. Please make sure your shed security is adequate for the value of items within.

Always lock it and if you have a wooden shed make sure the lock is secure and can't be ripped off. Burglar alarms can be fitted that are cheap and easy. Consider property marking all your value items with your

postcode and house number, using gloss paint is an option because thieves are after items they can sell on.

Defrosting Cars

Warning: Please be careful in the cold weather when cleaning your car windscreen and avoid leaving a car with the engine running. There are too many opportunist thieves around who are quite prepared to help themselves to your car and belongings.

Burglary increase:

It has been reported that there has been a significant increase in burglaries as a result of the economic crisis. Everyone is feeling the pinch and that includes burglars and thieves too and they will take every

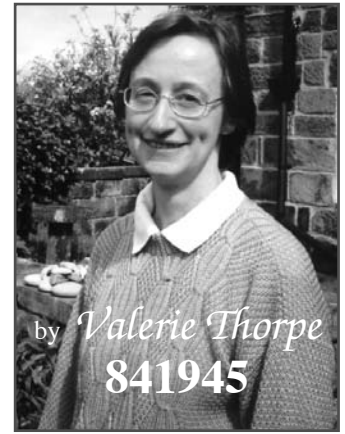

opportunity they can to gain advantage. So, please keep your door and windows locked, use a door chain before you open the door to any strangers and make sure you do not let anyone in that you do not know.

Lottery Scam: There have again been reports that people are receiving notification from the Spanish lottery that they have won a large amount of money when they are not even in it. These are designed to trick the recipient into paying a sum of money for administration before the money can be released, or to get your bank details and signature.

For further information contact your local trading standards. If you do get one of these you are advised to just discard it.

Seatbelt Reminder: This is a reminder to always use your seatbelt during car journeys regardless of how short. Over 6,000 people were given a fine in Derbyshire during 2008. Nearly 100 were fines because children were not restrained.

Wearing seat belts is a simple measure that is well proven to greatly reduce the risk of injury in collisions and save lives.

Car key theft: Because it is becoming more difficult to break into cars, many thieves are either breaking into houses to steal car keys or fishing for them through letterboxes. Please take care not to leave keys in a place visible to thieves.

Police Non-Emergency telephone number change: From 1st December 2008, the number for contacting Derbyshire police changed to: 0345 123 3333 (replacing 0845 123 3333). This is to ensure callers are not charged excessively when making a call. The old number will continue to be operational for about 2 years until people are familiar with the new number and then phased out. This number is for any policing matter which is not a 999 emergency.

Received the pictures but could find no text. Thought you might like to see them anyway so....

We're all in this together

DUFFIELD SQUASH BACK ON TOP

With just two Premier League Group A matches to play, Benz Bavarian Duffield took over the leadership with a resounding 5-0 win over previous leaders Nottingham.

Full strength Duffield gained full revenge for their 3-2 defeat with a weakened team at Nottingham in the opening match of the season, and went top with a four point advantage over Chapel Allerton.

So once again Duffield look certain for the play-offs and a chance to win their third national title in four years under the new manager Felix Frixou - the club's leading sponsor - who took over from the highly successful Brian Hargrave at the start of this season.

Tania Bailey set the tone for the evening at Duffield with a comfortable 3-0 win over Donna Vardy, 11-5, 11-5, 11-3.

Joel Hinds followed with a straight sets victory over Lewis

Premier League - Group A

	Pl	Won	Lost	Pts
Duffield	6	4	2	83
Chapel Allerton	6	3	3	79
Nottingham	7	3	4	76
Oxford	7	3	4	74
Pontefract	6	3	3	63

Walters, 11-7, 11-3, 11-6 and Andy Whipp followed suit with a 3-0 victory over the experienced veteran Simon Parke 11-6, 11-8, 11-5.

There was a slight hiccup when Joey Barrington lost the first game 7-11 to John Rooney, but he quickly recovered to take the next three games 11-8, 11-8, 11-8.

Nick Matthew also dropped a game to former Duffield player Renan Lavigne but ran out a convincing victor, 11-9, 8-11, 11-8, 11-8.

"Hopefully we can keep up this sort of form for the rest of the season and if so and we stay free from illness and injuries we are in with a great chance of achieving more success for the Club."

HOLBROOK HALL

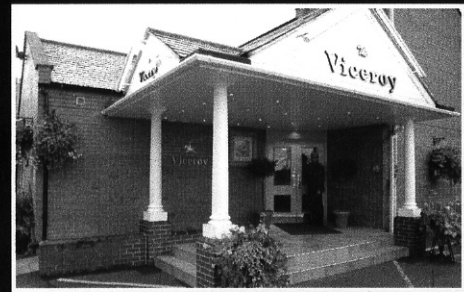

Residential Care for the Elderly

Holbrook Hall is set in set in four acres of garden and woodlands in the village of Holbrook and conforms to the highest standards of care, safety and comfort.
